Higher Education for Social Cohesion (HERD) project

B2 group:

Workshop
The presentation is part of the HERD: Higher Education for Social Cohesion Cooperative Research and Development in a Cross-border Area" (HURO/0901/253/2.2.2.) research project and supported by the European Union European Regional Development Fund.
Purposes of the B2 group

- The problems of integration of young people in a disadvantage position into HE (researchers in charge: Floare Chipea, Zsolt Bottyán, Ibolya Gönczi, Erzsébet Rákó)

- Integration of minority students into HE (ethnic and minority groups, migration groups) (researchers in charge: Emese Belényi, Floare Chipea, Zsolt Bottyán)

- Gender issues in HE (researchers in charge: Hajnalka Fényes, Ágnes Engler, Gyöngyi Bujdosó, Zsuzsa Tornyi)
Research methods of B2 group

- Quantitative survey (the problems of minority students, children of poor or one parent families, students from rural areas and gender issues in HE)

- Interviews, focus group interviews (and survey?): students with special needs, disabled students, roma students, students from child care institutions (children’s home), marginalized minorities (ethnic, sexual, religious)
Schedule of B2 group

01 June 2011 – 30 September 2011
- Detailed research plan, hypotheses, comprehensive background studies

01 October 2011 – 31 January 2012
- Preparing the questionnaire for higher education students, our tasks: gender-section, minority students’ problems-section, students in a disadvantaged position-section
